

To whom it may Concern

This is to certify that Mr Asher Farhan having CNIC 61101-2846294-9 was employed with SHARE Mobility from 19th February 2024 to 3rd December 2024, serving a tenure of 10 months. During his time with us, Asher demonstrated exemplary professionalism and dedication to his responsibilities.

Asher initially joined as a **Trainee Software Engineer**, during which he quickly acclimated to our corporate environment. Recognizing his potential, he was subsequently promoted to the position of **Software Engineer I**. As a Cross Functional Engineer working with our Data Science team. Asher contributed significantly to the development of AI based product, resolving bugs and implementing backend services using FastAPI, Nodejs. He also participated in testing processes, led the unit testing of multilingual AI powered feature, ensuring high quality and reliable systems.

Asher's performance throughout his tenure was commendable. He consistently displayed a proactive attitude, excellent problem solving skills and the ability to adapt challenging situations. He has done an exemplary job while working with us and has always maintained professional relations with the team and colleagues.

We wish him the very best in his professional and personal life.

Sincerely,
